

## Istanbul – Turkey

### Conference in Istanbul - Two continents in one city!

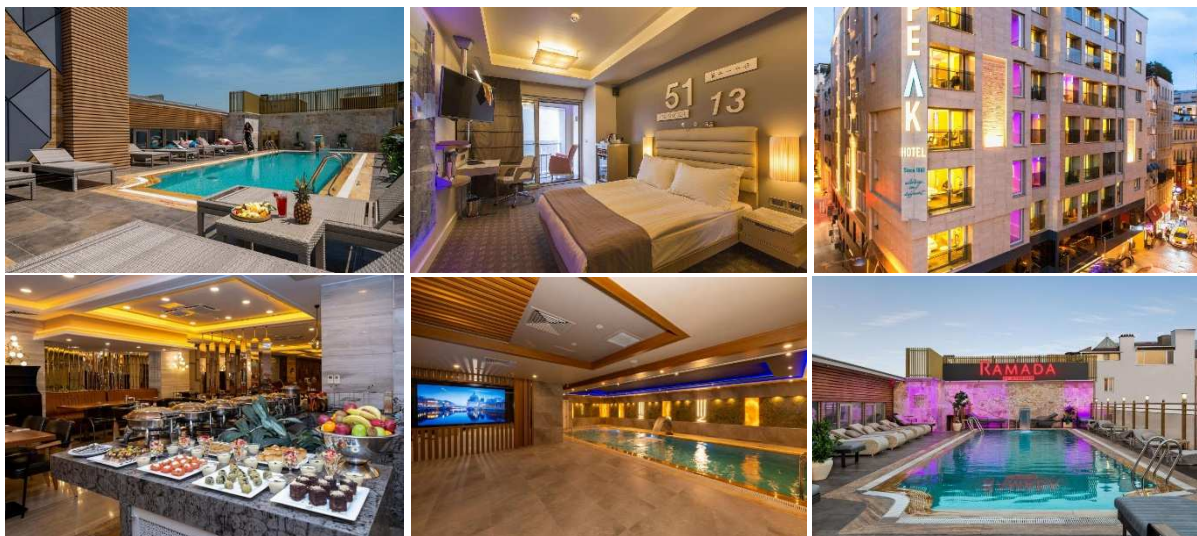

At a conference in Istanbul, you are part of something as unusual as visiting two continents in one and the same city. Istanbul is divided into an Asian and a European part. The dividing line is the blue-green Bosphorus strait that connects the Black Sea with the Mediterranean.

## **Suggestions on approaches:**

### **Day 1**

On arrival you will be met by a bus that will pick you up at the airport and take you to the hotel. Late arrival but for those who want there is a nice bar next to the hotel lounge or why not have a drink and admire the view from Hotel Marmara's Sky bar, located opposite the Peak Hotel.

### **Day 2**

All-day conference at the hotel.

Shared dinner at a unique and traditional restaurant located on the main pedestrian street "Istiklal Caddesi", about 15 minutes' walk from the hotel.

### **Day 3**

#### **Full day trip on the sea!**

The yacht departs from Kalamis Marina. You will receive instructions from the experienced crew before the start. The first stop is Bugazada where you have a lunch break. You then continue to the Prince Islands. You are back in the marina again at around 18.00. During the day you compete against each other. The victors will be the first to reach the treasure in Kalami's marina. Exciting and fast-paced day!

Joint dinner at a restaurant where you will get to try both meze and kebab! About 10 minutes walk from the hotel. Tonight you also have a wonderful view of Istanbul as the restaurant is at the top of the building!

### **Day 4**

After breakfast a nice and relaxing visit to the hammam! For those who want to pamper themselves a little, a Turkish bath is a must when in Istanbul. Men and women bathe in their separate compartments. After warming up for about 15 minutes, you are scrubbed with firm pinches! In the meantime, you sit in the marble-clad bathhouse, relax and admire the old architecture. A lovely end to the visit to Istanbul.
