

Davos – Switzerland

Winding in a unique mountain landscape, Davos is one of the largest winter sports areas and the highest city in Europe, which also has pistes from an altitude of 1560 meters up to 2844 meters. A winter sports metropolis and an Eldorado for snowboarders and skiers, cross-country skiers, ice sports fanatics, connoisseurs and people who like to hike in winter. The five toboggan runs with a length of 2.5 to 8.6 km guarantee a fun tobogganing experience for everyone in the Davos - Klosters area. Davos also has a lot to offer all night owls, from the rustic mountain inn to specialist restaurants, from the hotel bar to the disco, from the theater or concert hall to the nightclub or the excitement of the casino

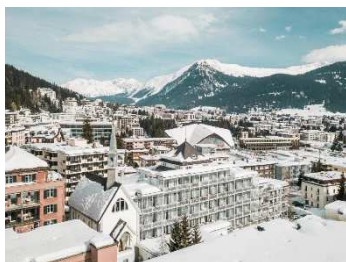

HOTEL SUGGESTIONS
