Villa La Madonna in Piemonte - Unique setting on a vineyard in Italy

A conference trip to Italy and Villa La Madonna in Piedmont is something truly unique. This is the optimal place for companies looking for the genuine small personal hotel or who may want to rent the entire vineyard for a conference or kickoff. Here you can breathe out and enjoy the lovely surroundings, the good food and the tasty wines.

Here, with the wonderful Bormida valley in the background, grapes are harvested that grow on the slopes around the farm.
